Hands on Clinics

9am – 9:45am Daily Care

What is a typical day for our show animals? Where do they live? What do they eat? How to grow hair? Roseann tells of the 90 days before our first show.

9:45 am– 11:15 am Clipping and Fitting

Jon and Gavin demonstrate clipping and fitting techniques using Weaver and Andis products. Interested in bringing your calf for one on one, call ahead, limited space.

11:30am – 12:00pm Showmanship

Samantha shares advice from her years competing at state and national shows. Creating a partnership with your calf is a must, practice, practice, practice.

11:30am –1pm Lunch Farm grazing plan discussion.

1pm Birnamwood Veterinary Clinic will discuss genetic defects and general health issues—chute side
